Conference Agenda

Time	Venue	Topic	Speaker
Plenary session 1			
08:30-08:40	Hilton Grand Hall	Morning Huddle	Dr. Usamah AlZoraigi
08:40-09:00		Embrace Your Hypocrisy: Practice What You Preach!	Dr. Janice Palagnas
09:00-09:20		Future Education and Interaction: Could AR and Telepresence Help?	Dr. Marc Lazarovici
09:20-09:40		Training Till Competency through Simulation	Dr. Hani Lababidi
09:40-10:00		Session Discussion	
10:00-10:30	Opening Ceremony		

Educators & Leaders Session			
10:30-10:50	Hilton Grand Hall	Saudi Simulation Centers: Connect and Collaborate	Dr. Usamah AlZoraigi
10:50-11:10		A National Online Faculty Development Programme: Outcomes and Future Considerations	Prof. Debra Nestel
11:10-11:30		SSSH Future Plan and Strategies	Dr. Abdulaziz Boker
11:30-11:50		Strategies for Effective In-situ Simulation	Dr. Benjamin Smallheer
11:50-12:00	Session Discussion		
12:00-13:00	Lunch Area	Lunch & Prayer	

Military & Aviation Session			
13:00-13:20	Hilton Grand Hall	Strategic Planning of Simulation in Military Medical Services	Dr. Yasser Mandourah
13:20-13:40		Future of Simulation Training for Military Field Medicine	Dr. Saleh Abdullah Alkhunein
13:40-14:00		High Risk, Low Frequency Medical Team Simulation and Team Communication Training	Dr. James A. Cleveland
14:00-14:20		Tactical Combat Casualty Care (TCC)	Dr. Mohammed Shabnan
14:20-14:40		South Area Experience	Dr. Mohammed AlGarni
14:40-15:00	Enhanced proficiency through Simulation	Captain. Qusai Ghazawi	
15:00-15:30	Session Discussion		
15:30-16:00	Asr Prayer		

Saudi SSH General Assembly			
16:00-17:00	Hilton Grand Hall	SSSH General Assembly	SSSH Board Members

Nursing Session			
10:30-10:50	Majorca ABC	Using the Revised INACSL Standards of Best Practice: Simulation SM	Dr. Benjamin Smallheer
10:50-11:10		Simulation in Nursing: Real-life success	Ms. Abeer Alhazmy
11:10-11:30		Nursing Competencies through Simulation	Dr. Ahmed Hawsawi
11:30-11:50		Models of Debriefing in clinical nursing simulation	Dr. Taqwa Omar
11:50-12:00	Session Discussion		
12:00-13:00	Lunch Area	Lunch & Prayer	

Time	Venue	Topic	Speaker
Integration of Simulation in Healthcare Programs and Curricula			
13:00-13:20	Majorca ABC	Adapting Simulation in Postgraduate Health Education	Dr. Sami AlHaidar
13:20-13:40		Integration of Simulation in Anesthesia Residency Training Program	Dr. Abdulaleem Alatassi
13:40-14:00		Surgical Skills Simulation; Specialty based need assessment. Current and Future Directives	Dr. Abdulrahman Jafar Sabbagh
14:00-14:20		Integrating Simulation Based Patient Safety Programs into Traditional Education Pathways	Dr. Paul Phrampus
14:20-14:40		Advanced Practice Provider Critical Care Boot Camp: A Simulation-Based Curriculum	Dr. Ahmad Khubrani
14:40-15:00		Session Discussion	
15:00-15:30	Asr Prayer		

Competition Tech Innovation (Action Tech)			
10:30-15:30	Granada A	Competition Tech Innovation (Action Tech)	Mr. Essam Burhan
16:00-17:00	Hilton Grand Hall	Final Tech Competition	
17:00-17:25	Prayer		

Oral Presentation I Session			
13:00-13:15	Sevilla B	Attitudes towards Introduction of Multimodality Simulation-based OSCE into Emergency Medicine (EM) Final Board Examination	Dr. Daniyah Khalil
13:15-13:30		Pediatric Trauma Boot Camp: A Simulation Curriculum and Quality Assurance Project	Dr. Ahmad Khubrani
13:30-13:45		Tele-present Focused Assessment with Sonography for Trauma Examination Training Versus Traditional Training for Medical Students A Simulation-Based Pilot Study.	Dr. Ahmad Khubrani
13:45-14:00		Prioritizing Simulation Based Curriculum Development for Postgraduate Training for Medical Residents: Introduction of Simulation Utilization Index	Dr. Manal al Subaie
14:00-14:15		Medical Health Simulation Awareness and Opinion among Saudi Commission of Health Specialty Trainees in Saudi Arabia	Dr. Sawсан Alyousef
14:15-14:30		Use of Simulation-Based Learning to reduce CAUTI rates among ICU patients	Dr. Ahmad Haimour
14:30-14:45		Self-Confidence of Nursing Students Related to their Simulation Learning Experience	Dr. Rasha Mahfouz
14:45-15:00		The Impact of Simulation Basic Life Support on The Knowledge of Female Nursing Students at Taibah University in Medina, Saudi Arabia	Ms. Abeer Albakkari
15:00-15:15		Cummulative Evaluation for Simulation Based Learning Courses for Pediatric First Year Residents	Dr. Sawсан Alyousef
15:15-15:30	Asr Prayer		

Workshops			
13:00-14:30	Malaga	Qualitative research in health professions education: Turning your ideas into projects	Prof. Debra Nestel
13:00-14:30	Valencia	Low Cost Data Management: Hands-on Google Form	Mr Mohammad Alamar Myra L. Verano
13:00-14:30	Marbella	How to Start an Innovation	Ms. Athir Alariefy, Ms. Ohud Alotaibi, Ms. Noor Alsada
13:00-15:00	Sevilla A	Flexible Educational Need Assessment that fits any Simulation Training!	Dr. Shadi Almoziny Dr. Usamah Alzoraigi, Dr. Abdullah Almarshed

Time	Venue	Topic	Speaker
Plenary session 2			
08:30-08:40	Hilton Grand Hall	Morning Huddle	Dr. Usamah Alzoraigi
08:40-09:00		The Role of Simulation as a Patient Safety Tool	Dr. Paul E. Phrampus
09:00-09:20		What's happening in Healthcare Simulation Research? A status report	Dr. Debra Nestel
09:20-09:40		Education Theory, a Cornerstone for Purposeful Simulation Outcome Design	Dr. James A. Cleveland
09:40-10:00		Session Discussion	
10:00-10:30	Coffee Break & Visit to Exhibition		

Safety & Human Factors Session			
10:30-10:50	Hilton Grand Hall	Psychological Safety in Simulation	Dr. Paul Phrampus
10:50-11:10		Human Factors and Incident Analysis	Dr. Waleed Alharbi
11:10-11:30		Simulation as a Detective and Corrective Intervention to Improve Patient Safety and Quality of Care	Dr. Shadi AlMozainy
11:30-12:00		Session Discussion	
12:00-13:00	Lunch & Prayer		

IPE/IPS Session			
13:00-13:20	Malaga	Simulation as a Platform for Interprofessional Education	Dr. Janice Palaganas
13:20-13:40		Undergraduation Interprofessional Education and Interprofessional Simulation	Dr. Rola Alrabah
13:40-14:00		Implementing crew resources management and principles to improve perioperative safety	Dr. Abdulelah AlHawsawi
14:00-14:20		Debriefing IPE	Dr. Jameel Abualenain
14:20-14:40		How Far we can go with IPE?	Dr. Loay Alsulaimani
14:40-15:00	Session Discussion		
15:00-15:30	Prayer time on Nov 14:47		

Technology Session			
10:30-10:50	Malaga	Artificial Intelligence in Simulation	Mr. Bob Armstrong
10:50-11:10		Application of additive Manufacturing technologies «3D Printing» in Surgical simulation	Mr. Moath Abo Aiysha
11:10-11:30		Telesimulation overview	Dr. Wadda Reda
11:30-11:50		Virtual reality and augmented reality in sim	Dr. Khalid Bajunaid
11:50-12:00		Session Discussion	
12:00-13:00	Lunch & Prayer		

Poster Presentation Viewing			
10:00 - 12:00	Exhibition Area	Poster Presentation Viewing	

→ Sim Dawri Session			
10:00-12:00	Sevilla AB	Primary Games	Dr. Abdulaleem Alatassi
12:00-13:00	Lunch & Prayer		
13:00-15:00	Hilton Grand Hall	Final Game	Dr. Abdulaleem Alatassi
15:00-15:30	Prayer time on Nov 14:47		
15:30-16:00	Hilton Grand Hall	Winners Announcement	
16:00-16:30	Hilton Grand Hall	Closing Remarks	

→ Innovations in Simulation Competition			
13:00-15:00	Sevilla AB	Innovations in Simulation Competition	

→ Workshops			
13:00-14:30	Majorca A	Augmented and Virtual Reality	Mr. Bob Armstrong
13:00-14:30	Majorca B	Lights for Innovation Ideas	Mr. Mohammad Alamar Mr. Jalal Alfroukh Mr. Faisal Alamri Mr. Abdulrahman
13:00-14:30	Majorca C	Teachable Moment or Missed Opportunity? Applying Lessons Learned from Healthcare Simulation to Real-World Clinical Debriefing	Dr. Hasan Maymani Dr. Ross J. Scalese
13:00-14:30	Valencia	Learning together to work together: simulation based interprofessional education	Ms. Lama Sultan
13:00-14:30	Marbella	Standardized Patient Education Program	Ms. Reem Alajmi, Dr. Ahmad Khubrani
